

Jabra GN

The Jabra Engage Series Engineered to enhance customer satisfaction

The Engage Series is designed to suit the needs of call centric workers who talk and listen to customers on the phone. Every Engage Series product is optimized to drive customer satisfaction by delivering great-sounding calls, even in noisy work environments.

To reduce interruptions and enhance focus, every Engage product features integrated busylights to ensure attention stays focused on the call at hand. Lightweight, ergonomic designs ensure the headsets are comfortable for intensive all-day wear.

To deliver the highest level of customer satisfaction, Jabra Engage Series gives users the freedom to take customers calls from multiple devices, as their workstyle demands.

Crystal clear calls to enhance customer experience.

Advanced noise-cancelling microphones and enhanced speakers deliver crystal-clear calls even in noisy offices.

Freedom taking customer calls.

With wireless and corded solutions, and connectivity options including desk phone, softphone and smartphone or tablet, the Engage Series ensures your team is always available for customer calls.

Reduce interruptions and boost productivity.

Integrated busylights act as a do-not-disturb sign for colleagues. Impressive passive noise cancellation* enhances agents' focus.
