(varies by model)

**Navigation wheel
(scroll/press)**

Base screen

12:00 AM
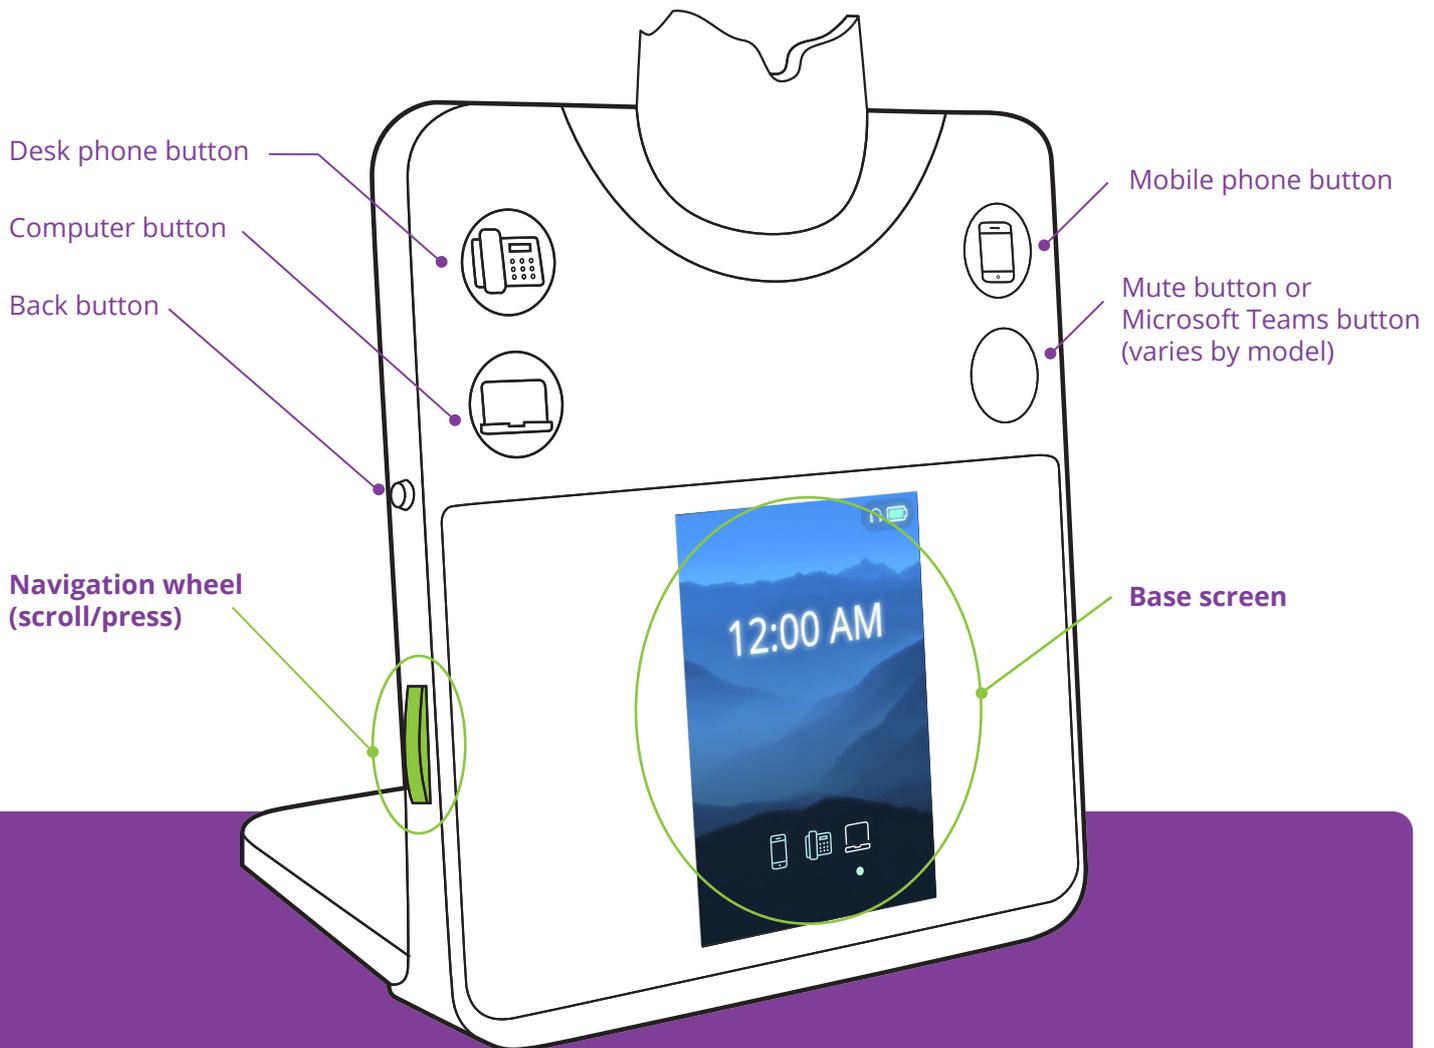

By default, the Bluetooth on the device is turned OFF. Here are the steps to turn Bluetooth ON:

1. Press the base Navigation Wheel on the left side of the base.

2. Go to your setting menu (refer to the base screen)

3. Scroll and press to select **Advance > Base >Bluetooth On**

4. To exit menu, press Back button on the left side of your base.
