Simply Headsets

Plantronics CS540 Reset Instructions

Having issues with your headset, it suddenly just stopped working?
Try this reset…

1. Unplug the base from power
2. Remove the battery from the headset
3. Unplug your telephone from power
4. Wait 10 seconds
5. Reconnect your telephone to power
6. Reconnect the base
7. Put the battery back in

No joy?

Give us a call on 1300 082 505, option 3, then 2 and we'll look in more detail or call the HP/Plantronics technical teams on 1800 793 150
