## EPOS | Sennheiser VMX 200 II Mobile Bluetooth Headset

# \$176.00

✔ Elegant in design and sophisticated in abilities, the tiny VMX 200 Bluetooth business headset features not just one, but two built-in microphones, which can determine which direction sound comes, just like the ears and the human brain. The built-in software then detects unrelated noise and cancels most of it out, sending only voice back over the telephone.
